

ARTIST

VERRIERE LIGHT PARTITION

CONCEPT

"Créativité
au service de
vos clients"

*"Let creativity
meet your needs"*

LE CONCEPT ARTIST

La gamme ARTIST est parfaitement adaptée à la conception et à la réalisation de verrières d'intérieur sur mesure. La finesse des profils en aluminium laqué renforce l'aspect cloison atelier recherché. Le nombre de configurations possibles permet une grande liberté de création et l'adaptation à de nombreux espaces intérieurs, cuisine, salon, hall, bureaux...

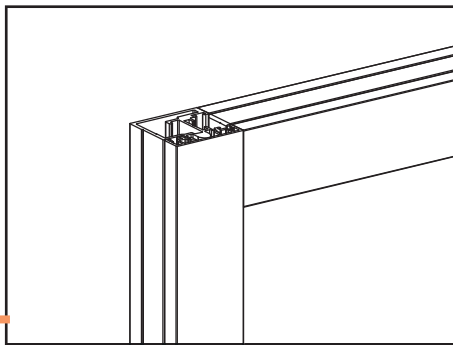

ARTIST CONCEPT

The range is perfectly adapted for interior tailor made light partitioning. The powder-coated thin aluminium profiles increase the factory/plant aspect.

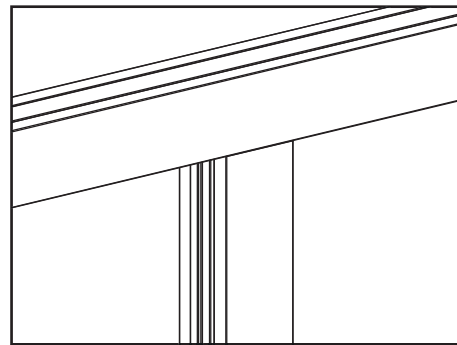

Many patterns are possible. They will all let you create and adapt to many interior places, such as kitchens, living rooms, lobbies, offices...

1

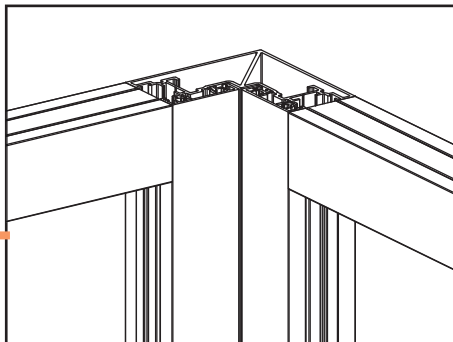

Assemblage cadre
Frame assembly

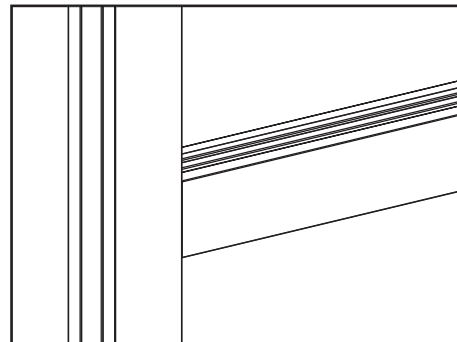

Assemblage cadre et traverse verticale
Post and vertical transom assembly

2
